Hey! It's Sam — June gave me your number. I promise I'm less awkward over text than I was at dinner

ha! you weren't awkward. the story about the ferry was the best part of the night

The ferry story is my only good story so I'm glad I didn't waste it

so what I'm hearing is dinner #2 would be all downhill 🤔

There's only one way to find out

friday? there's a dumpling place on 9th I've been meaning to try

Friday. I'll bring a backup story just in case 🍝

Monday, February 12, 2024 11:58 PM

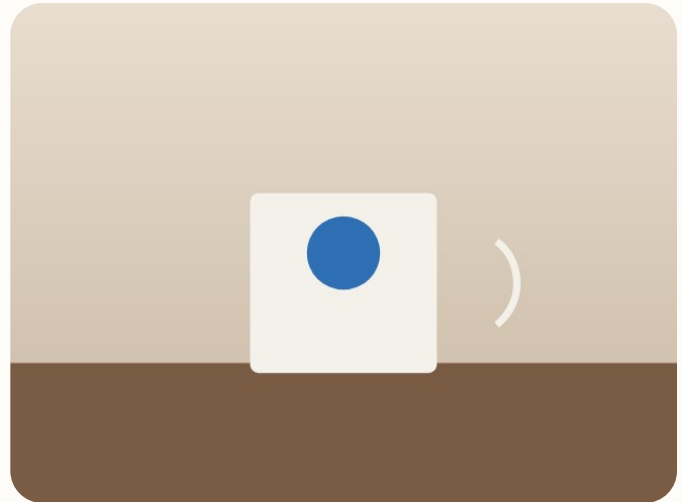

ok the dumplings were incredible and your backup story was even better than the ferry one

I had a really good time tonight

me too 😊💙

Saw this and thought of you

NO WAY. that's the exact mug from the restaurant??

Bought two. One lives at my place now, one is yours whenever you want it

smooth. very smooth

rain check on tonight 😞 work exploded and I'm going to be here til late

Don't even worry about it. Want me to drop soup at your office? I make a genuinely famous minestrone

famous according to who

My mom and at least one roommate

ok yes please

Tuesday, March 5, 2024 9:26 PM

the soup verdict is in: your mom was right

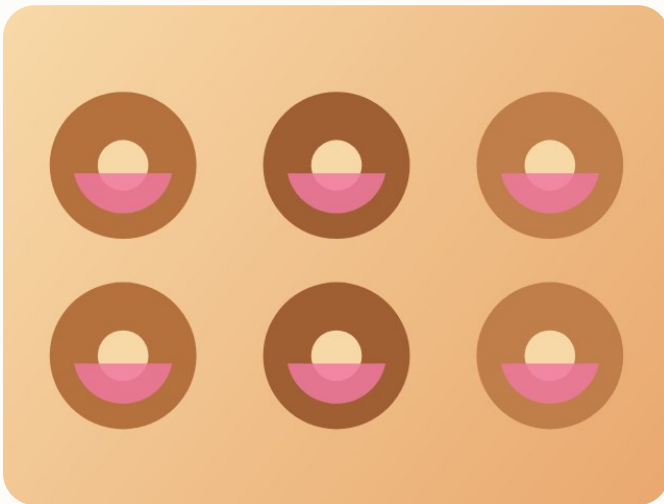

Tuesday, March 12, 2024 9:30 AM

Morning. There's a farmers market by the park at 11 — feel like wandering?

only if we can get those little donuts again

The donuts were always part of the plan

Tuesday, March 12, 2024 1:53 PM

today was so nice 🍩

Framing this one

Question. Hypothetically. If someone got two tickets to the coast for the long weekend, would you hypothetically be free

hypothetically I would be packing already

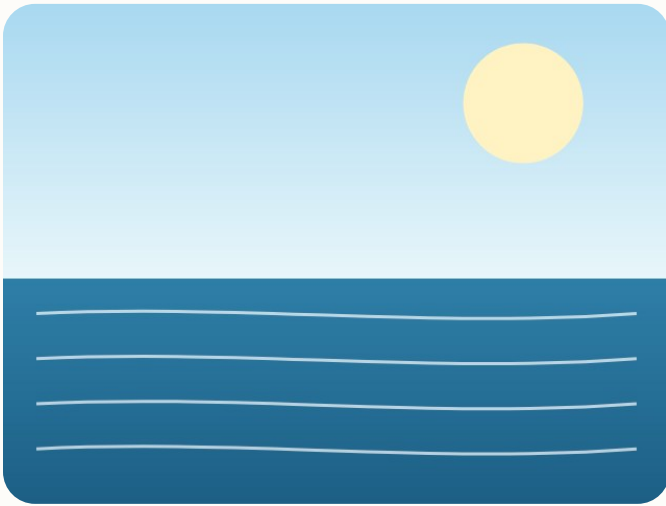

Then it's a good thing it's not hypothetical 🐉

!!!!!!

I can see the ocean from the window. I take back everything I said about your driving playlist

The playlist was a journey and so were we

ok come down, they have waffles

Running

my sister wants to meet you. she's already calling you "soup person"

Honestly one of the better nicknames I've had

dinner sunday? she's only in town til tuesday

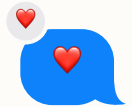

Wouldn't miss it. Should I bring the famous minestrone or is that too on-brand

WAY too on-brand. bring dessert 🤔

Tuesday, May 21, 2024 10:31 PM

Your sister is my favorite person I've met all year, present company excluded

she just texted me "keep the soup person" so the feeling is mutual 🥰

Tuesday, June 11, 2024 5:25 PM

I know it's only been four months but I miss you on the days we don't hang out and I've stopped pretending that's normal for me

sam

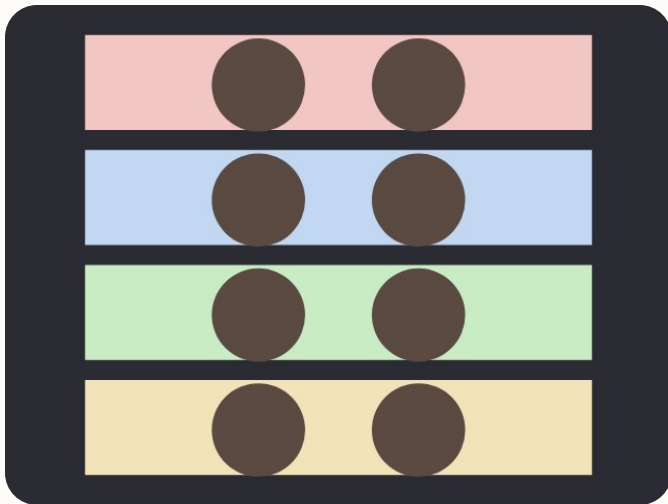

I miss you on those days too

all of them 💙

Come over. I'll make the soup

already grabbing my keys 🏃

Tuesday, June 25, 2024 10:11 AM

We peaked in frame three

Tuesday, July 9, 2024 7:03 PM

what if. and hear me out. we got a tiny apartment with a bad kitchen and made it ours anyway

I've been trying to figure out how to bring this up for two weeks

WHAT

ok saturday we look at listings. this is happening

This is happening 🗝️

The one on Alder street. With the crooked shelf and the good light in the kitchen

the one where you hit your head on the doorframe twice

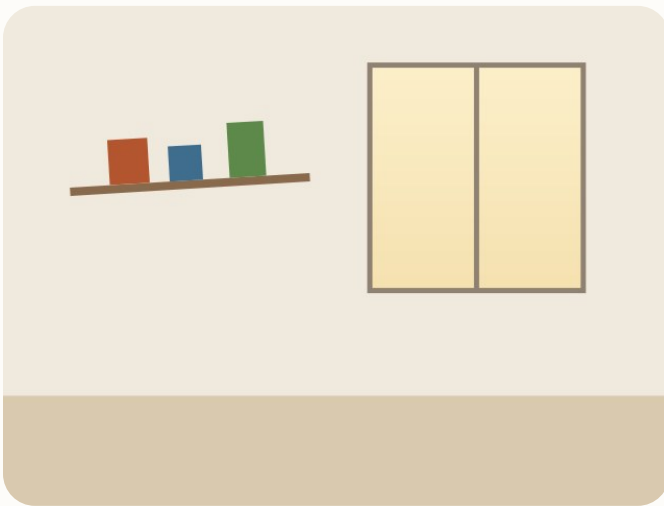

A small price. That's the one. I could see the whole thing there

me too. let's get it 🏠

Tuesday, August 27, 2024 9:20 AM

moving day!!! my dad says he's bringing "the good dolly" like it's a family heirloom

Tell him the soup person says thank you

first photo in the new place. crooked shelf and all

Ours.

I know you're just in the other room but the wifi guy is still here and I wanted to say the apartment already feels like home because you're in it

you can't just SAY things like that while I'm assembling a bookshelf

Reminder: dinner with June tonight. She takes full credit for us and honestly she should

we should get her flowers. matchmaker tax 🌸

And was I?

jury's still out

Best year of my life, Riley. Here's to the crooked shelf and everything after 🥂
